

PHYSICAL

DISCRIMINATION.

Suffering from obesity, being too tall, or even

having an unpleasant face are sometimes real
obstacles to hiring. Physical appearance is all the

more important, as our societies carry beauty canons.

A woman of great built will find it much more
difficult to find a job as salesperson, external or executive.

This new type of discrimination also affects clothings. Some
employers are sometimes reluctant because of their
education or the image they want to give of their company.

Well Sir, you would
miss such a good
works.

YOU CAN'T have
more choice

Don't Judge on Appearance.
